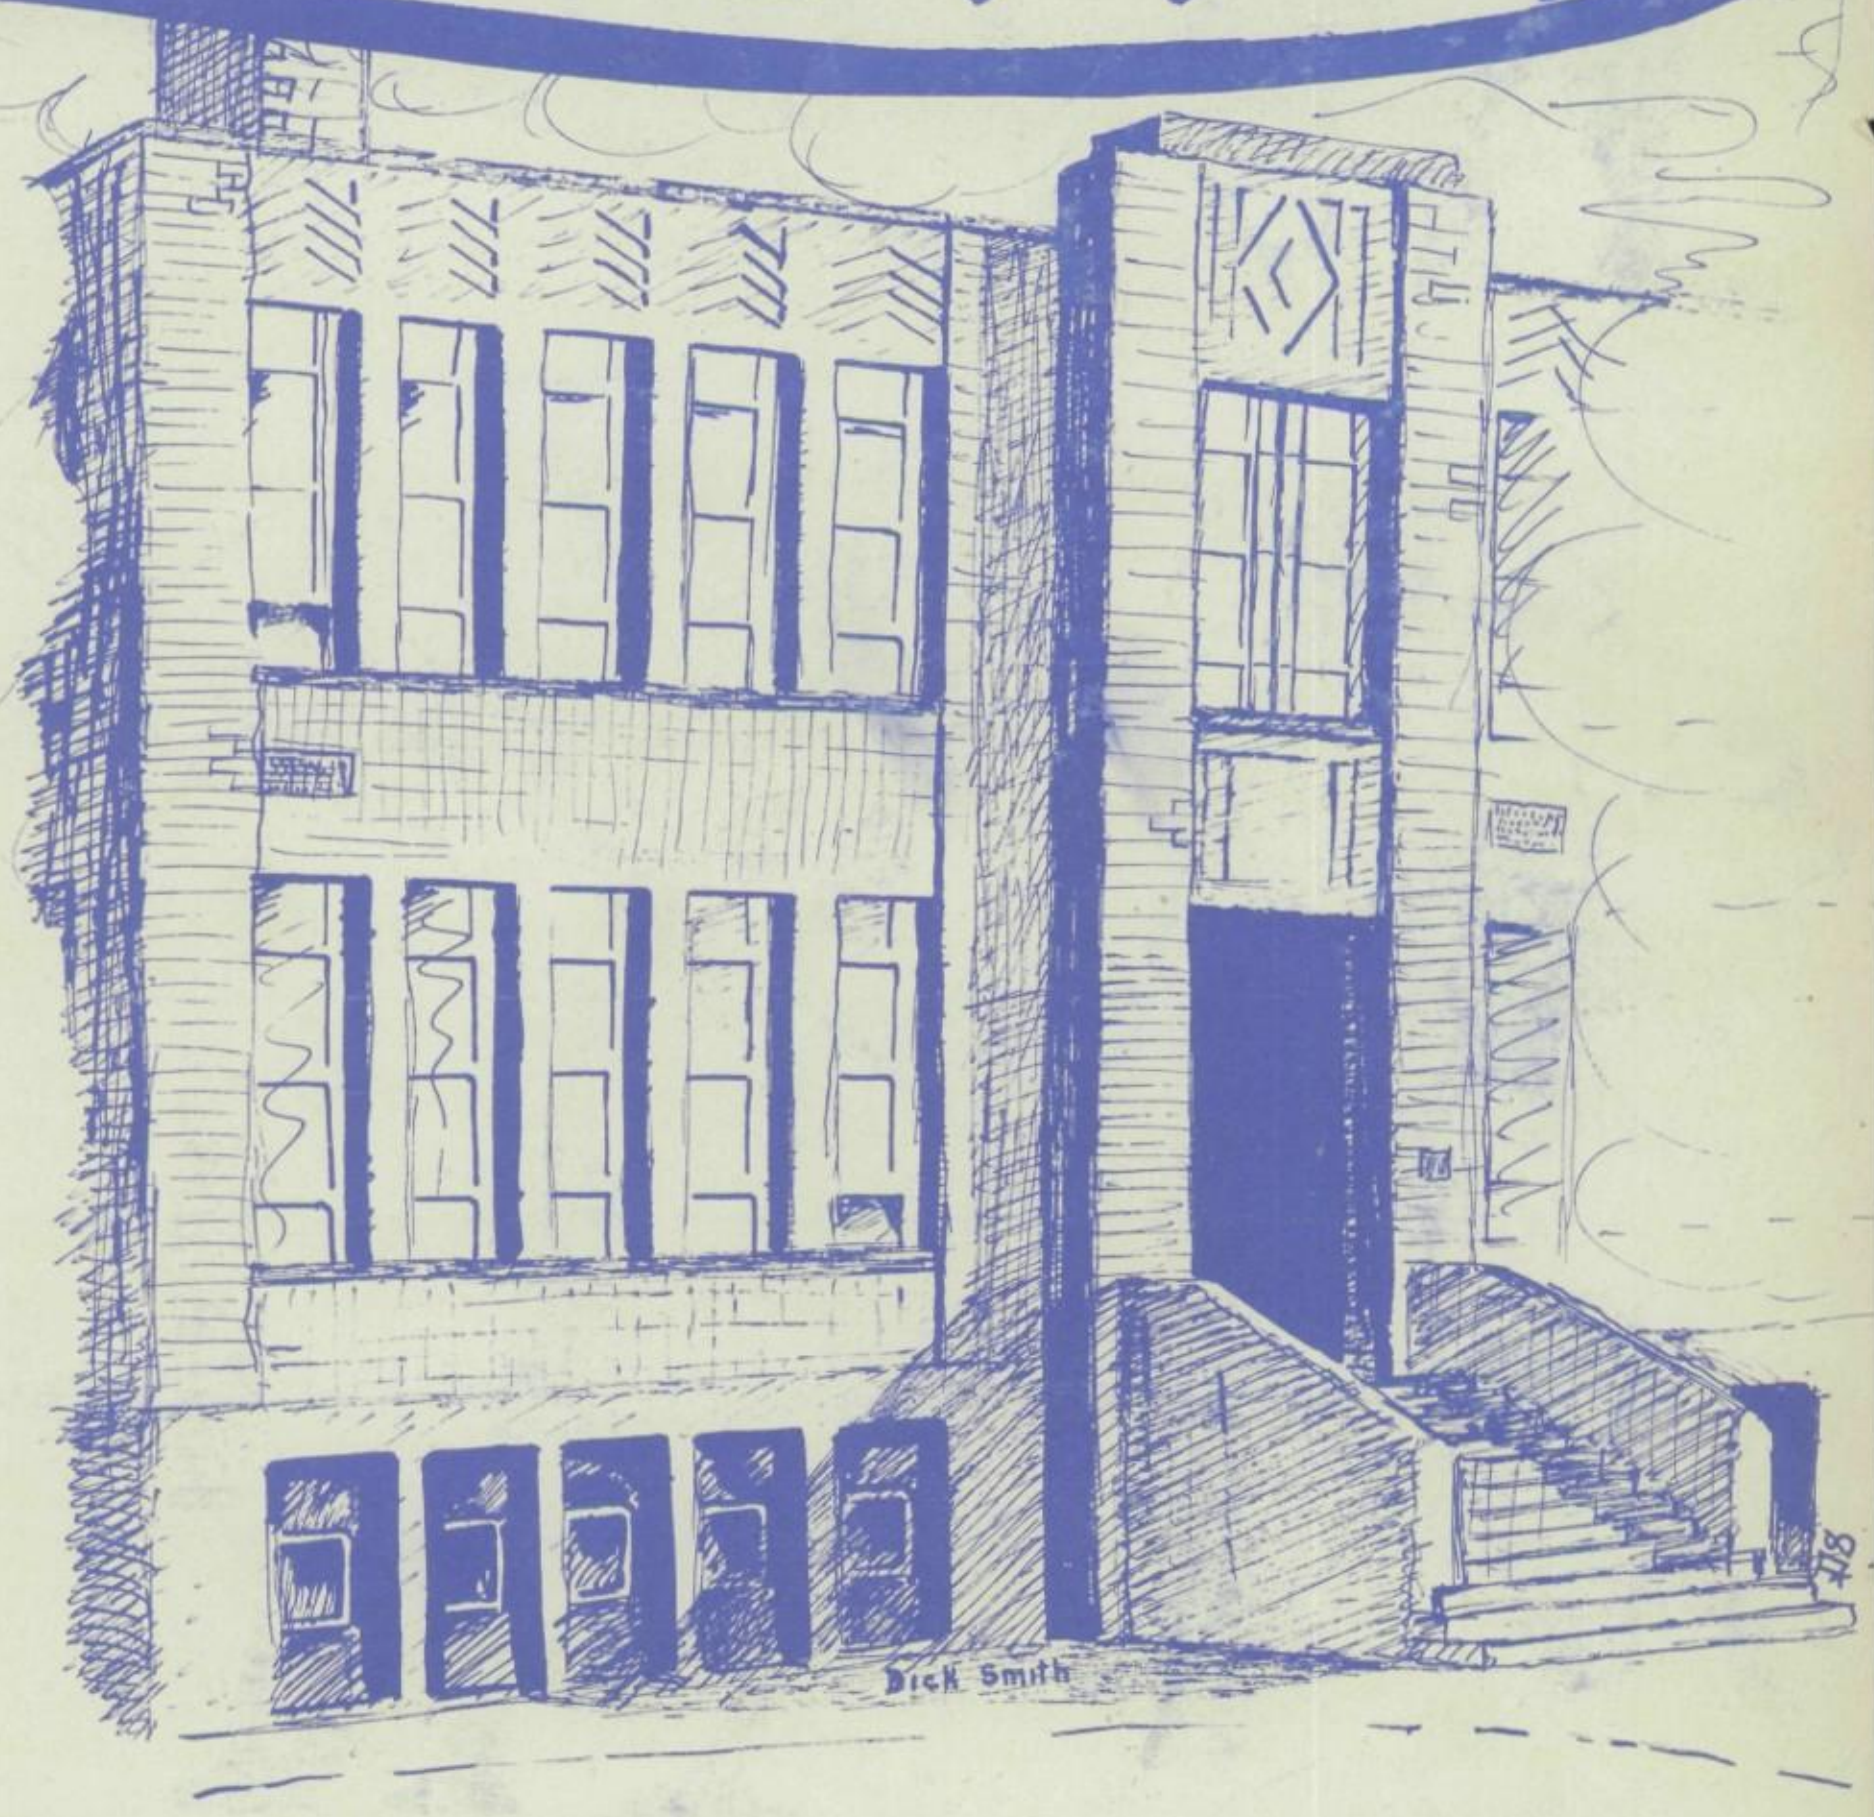
WE GO TO

1948

East



THE SENIOR CLASS of 1948 undertook the publishing of the '48 TARTAN early in the spring of '47. Three members of the class were invited to attend the Journalism Conference at Ohio University in Athens, Ohio. There we were given information, ideas, and plans for our forthcoming yearbook.

The Senior Class of last year had given us a good start by publishing the first annual in ten years. We felt certain that although it would not be an easy job, we could also publish a yearbook.

We, as a progressive class of East High School, felt the need and necessity of presenting to the students, faculty, and public in general, a brief history of our life at East High School for the year of 1948. We have included in our presentation our faculty, classes, sports, school life, and activities.

We have put forth our utmost effort in order to make our project a success. Each one has worked willingly and hard. In our estimation we have had the best leadership and guidance. We have had excellent cooperation from the students and faculty. We wish to recognize our indebtedness to our faculty, students, and friends and to say that without their help it would have been impossible to publish this book. We wish to thank everyone who has contributed to its publication.

We hope that the graduating classes of the future will become so interested and so enthusiastic that they will continue to feel the need of publishing a yearbook.

VIVIAN SCHOMBURG, Editor.

In every field of human endeavor **"some one has a vision," "some one dreams a dream."** Then some one makes the dream live. We build castles in Spain and some one helps us put foundations under those castles, some one helps us to make our dreams **"come true."**

SENIOR CLASS

At the first class meeting, held on September 10, the Seniors elected officers for '47-'48.

Graduation pictures were taken at Marting's during the week September 29-October 3.

Dick Smith from room 22 and Layton Edwards from room 21, were chosen Student Council representatives for their respective home rooms.

On September 22 the class chose their announcements and name cards from the Herff-Jones Company.

Twelve girls were nominated for the homecoming queen. From these twelve, six were chosen to be voted on by the student body. The six girls were: Pat Millhuff, Betty Pyle, Colleen Slattery, Juanita Shump, Janet Shackleford and Marianne Harr. Janet Shackleford was chosen queen and Marianne Harr, senior attendant.

During the year, the class sold pens and pencils. The mechanical pencils and ball-point pens were blue and grey with PORTSMOUTH EAST HIGH SCHOOL TARTANS printed on them.

The Senior Dance was given February 6.

At the Senior assembly, given December 17, a play, "Christmas Barricade," was given.

The annual Senior Class Play was given late in the spring.

Mr. Stevenson, Miss Davids and Miss Duvendeck were the class advisers.

During the first week of school, Miss Wyatt, sponsor of the annual, with the class advisers, chose the Tartan Annual Staff.

In order to help cover the expenses, the staff launched an advertising campaign which began September 15 and lasted until October 20. Janet Whitt conducted the sales of the annuals, some of which were sold on the installment plan. Persons were selected for each home room to collect payments. The staff and class members gave their time to selling the required amount of annuals and advertisements to make the '48 annual more interesting.

The motto of this year's staff was "Bigger and better than '47." Because of the fullest cooperation of every member of the staff, the annual proved to be the best in the history of East High School.

THE S. O. C.

The Southern Ohio Conference was formed in the fall of 1946. At the present there are five schools in this league, but others are preparing to enter. Of these five teams, Waverly is the only one without a football team. This year New Boston won the football trophy and East captured second place. Central Catholic and Washington won third and fourth places respectively.

EAST vs. COLUMBUS ST. MARY

East playing in their blue uniforms fought through mud and rain for three quarters with Columbus St. Mary without a score by either side. Then came the disaster in the fourth quarter, a punt by James Steele was blocked. A few plays later Columbus St. Mary scored. They ran for the extra point. The score tells nothing of the battle between these two mudcluttered teams. Both teams earned considerable praise.

EAST vs. ATHENS

East playing against a larger Athens team showed its full offensive power by taking the opening kickoff and marching for a touchdown. Deemer did the scoring, and Steele kicked the extra point. Athens received Steele's kickoff and marched for a touchdown but failed to make the extra point. East again marched for a touchdown with Deemer scoring and Steele converting. Athens received, marched for a touchdown, but again failed to convert. In the third quarter the ball changed hands more frequently but without additional scoring. Then at the start of the fourth quarter Kent went over for a touchdown and Steele converted. The scoring ended there and East won a thriller 21 to 12.

EAST vs. NEW BOSTON

East tangled with the large and experienced New Boston team. The opponents drew first blood with Salyer's scoring. Then they ran for the extra point making the score New Boston 7, East 0. East couldn't get started and New Boston's Salyers took Steele's punt in the second quarter and ran 74 yards for a touchdown. East then received and got started with Steele scoring. In the third quarter Salyers scored again. The extra point was also good. This ended the scoring in that bloody battle. The final score was New Boston 20, East 6.

EAST vs. BOYS' INDUSTRIAL SCHOOL

East scored just as the first quarter ended when Deemer made a touchdown. Then in the second quarter East scored again with Kent running the goal. In the third quarter Kent broke loose for a 54-yard run but was knocked out of bounds on the 34-yard line. A pass to Smith from Kent was good with Smith running the remaining yards for the score. B. I. S. then marched for a score with Flint ploughing over. In the closing seconds of the game a desperation pass by B. I. S. was intercepted by Deemer who ran 42 yards, behind perfect blocking, for a touchdown. The final score was East 24 and B. I. S. 6.

EAST vs. RACELAND

East after a slow start pushed over a touchdown in the last of the first quarter. Deemer ran 23 yards to score. Steele converted. There was no more scoring in the first half. Then in the third quarter East started a march down the field but was halted after Deemer was hurt and had to be removed from the game. At the end of the third quarter one of Steele's passes was intercepted and carried 76 yards for a touchdown. In the middle of the fourth quarter East started a drive which couldn"t be stopped. Kent carried the ball over from the four-yard line. The final score was East 14 and Raceland 6.

EAST vs. CENTRAL CATHOLIC

After the kickoff the fans were doubtful whether East would win because Central made three first-downs in succession. East got down to work and in the second quarter struck paydirt with Watts going over from the three-yard line after Kent made a brilliant 15-yard run around left end. In the second half the teams were getting tired and tempers flared. Hock and Widdig were carried off the field for Central and Wayne Williams was out for the larger part of the second half but returned in time to set Central back 13 yards when they threatened to score from the 3-yard line. James Steele again showed brilliant kicking with his long high kickoffs, punts and his extra point which split the uprights.

EAST vs. WASHINGTON

East played a larger but not so experienced team from Washington in the Homecoming game. Paul Kent made the first touchdown in the latter half of the first quarter. In the last part of the first quarter Washington punted to Deemer on East's 36-yard line. Deemer squirmed his way through the whole Washington team and ran 64 yards for a score. Then in the second quarter Deemer again took a Washington punt and ran 67 yards for a score. Then just before the half ended Wayne Williams converted from center to fullback, went over for a touchdown. In the third quarter with the second and third strings' playing there was no further scoring. In the fourth quarter Bob Smith intercepted a pass and ran 27 yards for a touchdown. Just before the game ended Charles Watts scored. Once again Steele's kicking stood out when he kicked 3 extra points. Later Wayne Williams and Bob Dever kicked one apiece. The final score was 41—0.

The Freshman team, although it didn't do so well in the season's games, looked very promising as a future team for East. Some were big and rough and the others were small and fast. The boys played teams considerably larger than they were. These were New Boston, Washington, and Central Catholic Reserves, and the Portsmouth Freshmen. This team of freshmen also furnished practice for the Varsity squad. Be sure to watch this group for it will be a Tartan team worth remembering.

COACHING STAFF

East High played 21 games during the 1947-48 season. Of these 21 only 9 were victories but the losses were almost as thrilling and full of action as the Victories. East scored 839 points in comparison to the opponents' 879. The scoring average was 40 to 42 per game. Deemer took the scoring honors with 253 points which is 13 points per game, while Kent and Watts followed closely with 141 and 132 respectively. East finished the season in fifth place in the Southern Ohio Conference.

East's first opponent in the District Class A Tournament at Athens was Jackson whom they defeated with an overpowering score of 52 to 26. In the second game East encountered Greenfield and was defeated by a large margin with the score of 61 to 29.

The Reserve Squad had a more successful season than the varsity, winning 12 of the 18 games played. The team looked very promising as future players for the varsity.

THE HI-Y

The Hi-Y, a Christian organization for Sophomore, Junior and Senior boys, was organized in this school in 1934. It has striven primarily to develop Christian character in the boys of East High School.

A new, formal initiation ceremony, was created by this year's Hi-Y club, along with the affiliated girls' club, the Y-Hi. This was a candle light service held in the Methodist Church with Miss Pauline Walden as guest speaker.

This service helped to illustrate to the new members the real reverence of the clubs.

During an Armistice Day service, which was held by the American Legion, Lester Covert and Wanda Bouts, presidents of the Hi-Y and Y-Hi, respectively, placed flowers on the monument erected by the Hi-Y on May 29, 1946, in honor of the boys from East High, who gave their lives in World War II. Following this ceremony taps were sounded by Joe Hibbitts.

The Hi-Y and the Y-Hi gave a formal dinner dance during the Christmas vacation.

The club was also in charge of the crowning of the homecoming queen, Janet Shackleford. She, and the members of her court, were presented with bouquets by the co-captains. At the homecoming dance the queen was presented with a gold football.

Other activities of the Hi-Y include an assembly, the editing of the school paper, the Hi-Y Tartan, and the preparation of Easter Chapel Services.

HI-Y TARTAN

The school paper, the Hi-Y Tartan, is sponsored by the Hi-Y and is published bi-monthly. The club sponsor, the president, and the editor of the paper choose the news staff.

The paper has been greatly improved during the past year. Jokes, biographies, and cartoons have been added and the class news, club work and sports articles have been improved.

Y-HI

Sitting—Colleen Slattery, Margaret Keatley, Marianne Harr, Ruth Maxey, Janet Shackleford.
Standing—Janet Whitt, Norma Black, Wanda Bouts, Helen Schwamberger, Lois Myers, Ruth Fraley, Joan Williams, Freida Kuhner, Frances Hood, Janice Brown, Janet Keen, Fay Frazee, Joyce Lang, Rhea Jones, Margie Gahm.

The Y-Hi is an organization for Junior and Senior girls. Its object is to stimulate social, intellectual and moral development and to promote good fellowship among its members. The club sponsors are Miss Taylor and Miss Davids.

To add to the Club's funds, the girls sponsored a Halloween dance on October 17. They also sold approximately 250 chrysanthemums in school and at the homecoming game.

The main social event of the year was given on December 20, when the Y-Hi, together with the Hi-Y, gave a formal dinner party at the Scioto Tavern.

During the week preceding Christmas vacation, the Y-Hi and Hi-Y members read selections from the Bible in each home room, thus taking part in a world-wide observance of Bible Reading.

THE STUDENT COUNCIL

The Student Council of East High was organized in 1946 under the guidance of several faculty members. It is composed of the presidents of the four classes, home room representatives, and the presidents or representatives of the various organizations.

The Student Council is a formally organized and officially authorized group of students charged with the responsibility of assisting in maintaining discipline, especially in out-of-class activities.

These officers of the Student Council were chosen November 12, 1947:

Layton Edwards, President; Paul Kent, Vice President; Marianne Harr, Secretary; Keith Winters, Treasurer:

A very impressive installation service was held in assembly, Wednesday, November 19. Vivian Schomburg explained the student council and its meaning to the student body. After all the officers had taken special oaths administered to them by Mr. Smith, he presented the gavel to the president.

SPANISH CLUB

The Spanish Club was organized in 1946 by Mr. John Stevenson. The club is composed of the students of the Spanish I and Spanish II classes. The club this year had a membership of sixty-one.

The directorates chosen for this year were Lester Covert and Marianne Harr from Spanish II and Forest Deemer, Paul Kent, Janet Shackleford and Danny Kinker from Spanish I.

On October 28 the Spanish Club was host to three Latin Americans, who came to Portsmouth to study shoe manufacturing at the Selby Shoe Company. They and the Spanish students, with the aid of an interpreter discussed life and customs in their country. Earlier in the year Miss Yeley, a Missionary from Cuba, spoke about Cuba and Venezuela.

The activities of the club included an assembly, a Spanish Dance, and an opera trip to Cleveland on April 2-4. The club members exchanged letters with Mexican students in High School No. 8, Mexico City.

The club elected three consuls, who direct club activities. They are Helen Kemp, Margaret Arthurs, and Mary Millhuff.

Twenty-two pupils of the Latin and English classes, on November 1, went to Cincinnati to attend the Shakespearean play, "Antony and Cleopatra," starring Katharine Cornell. They also visited the Art Museum and Radio Station W.L.W., where they saw the radio performance of "The Midwestern Hayride."

On November 21 the Latin Club gave a dance. There was a floor show with Joy Jean Frazier and Patricia Lindeman taking part and a door prize was won by Charles Watts.

The club also made a trip in May, to the ancient battlefield at Pt. Pleasant, West Virginia.

GIRLS' LEAGUE

The Girls' League was organized in 1939 as an organization to promote friendship among the girls at East High. It is an organization in which all girls are eligible for membership.

Each year the officers and the advisers select "big sisters" for the freshmen girls.

In November the Girls' League gave a get-acquainted party for the "big and little sisters." *During the party the girls had a hilarious time trying to learn to square dance.* Later, refreshments were served to all members present.

On February 27 the Girls' League gave a dance which ended the main activities of the club for this year.

THE LIBRARIANS

The librarians, under the guidance of Miss Smith, check books in and out of the library, file book cards, type, keep books in a neat order, shelve books, give aid to students doing research work and help maintain order among the students in the library. Before school each morning and at noon Janet Whitt checked books in and out for the students.

BAND

Nothing short of a five-quarter football game could excite Portsmouth East fans, in 1947, more than Drum Major Janice Brown, and the majorettes with their baton maneuvering; as they strutted down the field at the head of our little but mighty, thirty-piece band. When Joy Jean Frazier began her acrobatic stunts everything else was forgotten.

The band made formations at the games this year. Before the homecoming game the band formed a football around the queen's float while the queen presented the football to the captains. At the half-time, the band formed a heart and played "Let Me Call You Sweetheart" while the queen was presented with flowers. During most of the formations at night, the flood lights were turned out and the formations were outlined by small lights on the caps of the members.

To make these dazzling between-half formations possible, the new band director, Caywood Thompson, spent many long hours in practice each week.

The band marched in the May Day, Armistice Day, and the Knights of Pythias parades and were highly complimented on their excellent performances.

On the whole, the band has improved greatly and has continued to improve to the extent that they were worthy of new uniforms which were bought by the Band Mothers' Club.

CHEERLEADERS

The varsity squad of the cheerleaders consists of six girls; three Seniors and three Juniors.

Three Sophomores make up the reserve squad.

These girls were chosen when they were Sophomores by popular vote of the students.

By leading the cheering at all the football and basketball games, the girls helped to build up "pep" and school spirit.

The cheerleaders have a constitution which states the qualifications for cheerleaders, practice rules, and choice of uniform.

It is composed of members of the Junior and Senior classes, who are chosen by the faculty on the basis of character, scholarship, leadership and service.

The four Senior members of the society who were chosen in their Junior year are Lester Covert, Vivian Schomburg, Dick Smith, and Janet Whitt.

Since its organization at East High, there have been 98 members in the society. The new members were chosen in a special assembly given in February, 1948.

"BEAUTY AND THE BEEF"

Ginny was beautiful — but a brain. After she had moved to a small town, she hoped that by keeping her past a secret she would become popular and boys would date her like anyone else.

The captain of the football team, "Beef," offered to help her with her studies. In trying to keep "Beef," Ginny gets everything in a mix-up but it's all straightened out at the final curtain.

"NIFTY SHOP"

The "Nifty Shop" has its setting in an exclusive shop for women where Mrs. Goldore is in search of the latest gowns with her two daughters, Bess and Jackie. Olga, the chore girl, adds humor to the story as she yearns for her sweetheart in Sweden.

"MARGIE GOES MODERN"

The girls of the Bowers Institute of Art are competing for the coveted Cecilian Medal which is awarded each year to the best sketch. Margie, who is a student at the Institute, has dreamed of winning the medal for a secret reason. The Trustees, who award the medal, know Margie's secret and in the past have deliberately kept her from winning. Margie despairs and when asked the reason, confides to the girls that she is a niece of the Miss Bowers, who endowed the Institute with the half of her fortune with the provision that the remaining half is to go to her should she win the Cecilian Medal before her twenty-first birthday. Should she fail, all of the fortune would go to the Institute. The girls are anxious to help Margie and decide upon a plan to outwit the trustees. The plan is successful and Margie wins the Cecilian Medal.
